Hi Jeff,

As we discussed on the phone, I can provide you copies of the PS for the EPA funded HAMP related projects, E37, E55 and E73. I think it's best you work with IHS to obtain the other project summaries and documents.

Let me know if you have further questions. Thanks,

Emmanuelle

Emmanuelle,

Jeff Mansfield here, would it be possible to obtain all IHS/BIA/EPA SDW Tribal Set-Aside Projects that have been funded for HAMP, and/or re-directed towards the HAMP?

Jesse DeCoute (IHS Lakeside) has been very helpful to a certain point and now I have to submit an official request for info for these projects from the Hopi Tribe. I have requested at least 3 times from Lionel Puheyesva to obtain these projects and have had no luck. So would it be possible for you to forward those Project MOAs & Project Summaries with the originals and amended versions, please? These would be the projects I am requesting from years 2004-2016:

PH04-S63 \$800k  
PH06-D33 \$205K  
PH08-T38 \$150K  
PH10-E37 \$1,857,400  
PH11-E55 \$1,100,000

PH12-E73 \$1,233,458  
PH14-E90 \$221K  
PH14-U62 \$985K  
PH15-E89 \$???  
PH15-U76 \$700K

I'd greatly appreciate this and to some degree, this info, once I disseminate it, will allow FMCV to have a better understanding in regards to our 2/16/17 FOV approach with EPA Enforcement. Thanks
